One Family. One Lord.
One Mission.

A Renewed USMB Vision

Transformed lives in our nation

What would happen if our family were to add **60 churches** in the next decade? Can you imagine the impact on our communities if **10,000 new members** across the nation joined the USMB family in the next 10 years? Imagine what might happen if our complacency morphed into passion to partner with Christ on his mission to transform lives? What if we really understood that we are all missionaries and the very country we live in is a mission field? Envision the possibilities for his glory, and get on board, because God is at work right here, right now. And this is just the beginning.

We are an undeniable force for kingdom mission impact. U.S. Mennonite Brethren are no longer the quiet in the land. We are on a mission. As a result of our ministries as individuals, local churches and agencies, people are being transformed, families grounded in Christ and unified, and communities changed for the better.

Come to *Conection* 2012, our biennial national convention, in Omaha, Neb. this summer to hear what God is doing. You will be inspired to join our mission as we celebrate our impact on God's kingdom and gear up for a decade of church planting and life transformation.

Pastors and spouses, please join us at the National Pastors Conference planned especially for you.

Mark your calendars
