

LAKEVIEW CHURCH
Stansbury Park, Utah

**We exist to help people experience the JOY and
FREEDOM that comes from a relationship with Jesus
Christ**

Phil and Melissa Wiebe moved to Tooele County in the spring of 2018 to begin the process of planting an MB church, in a county that was just 0.84% evangelical and as Utah goes, predominantly Mormon.

We had our first bbq on June 17, 2018 with 25 people in attendance and began the pre-launch phase which went all the way to Easter of 2019. During this time we had once a month “pilot” services at the local clubhouse, as well as 3 different Bible Studies in 3 different homes.

We rented some space in a strip mall in Stansbury Park, and launched with over 230 people in attendance.

Since then, we have continued to grow. Our attendance high before COVID-19 was 241 people, running 2 services.

Since COVID-19 we are running over 300 between our in service attendance and our online attendance.

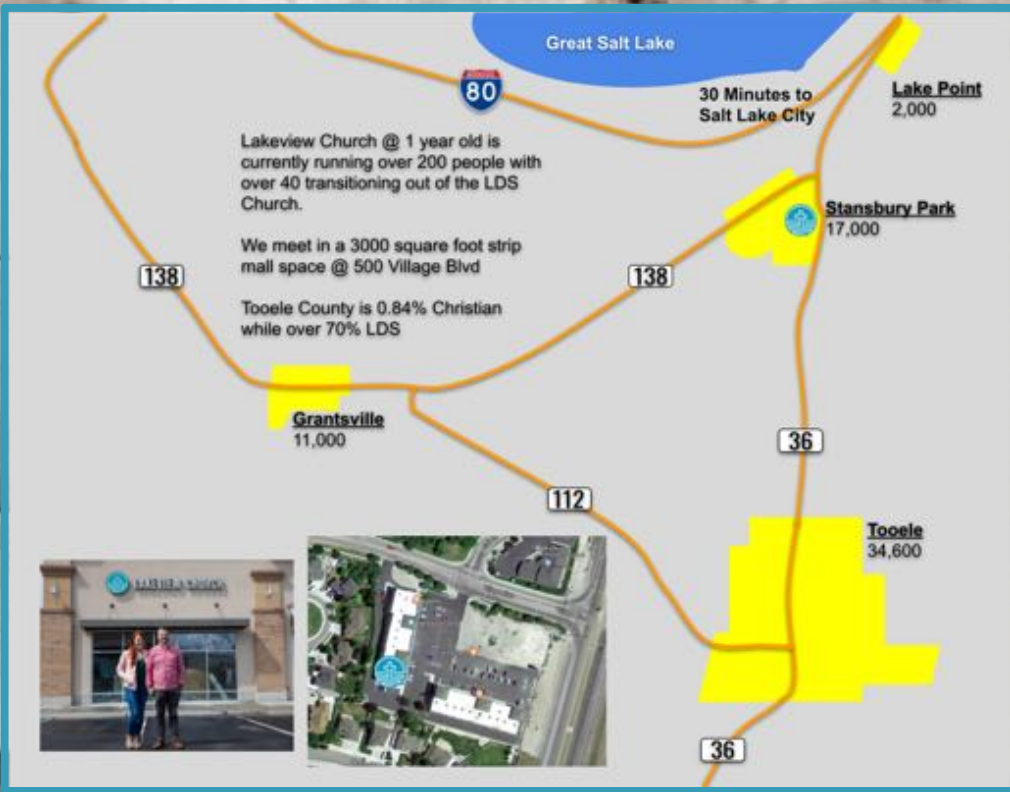

We have currently over 40 people transitioning out of the LDS church, as well as having 1% of the population in Stansbury Park attending Lakeview.

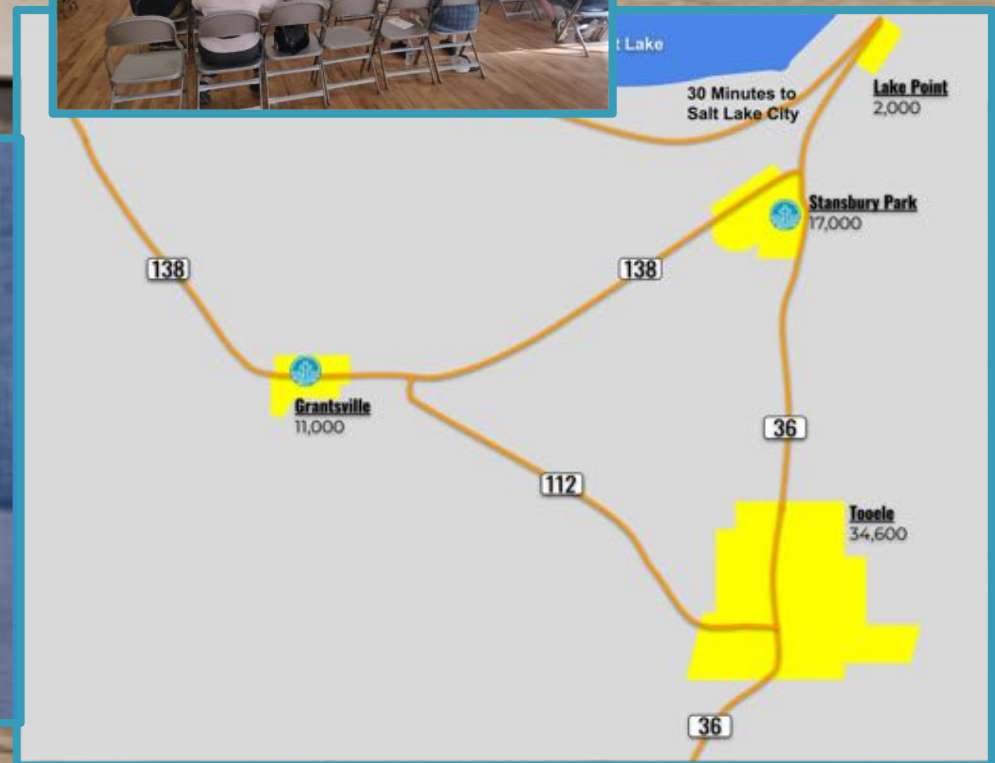

As of June of 2020, Lakeview has Baptised 8 people!

We have begun the process of starting our second campus in Grantsville. We have already had our first pilot service, and hired our campus pastor, Jeff Hubrich.

We are inviting 50-75 people from Lakeview to join Grantsville to get it launched.
