Mar 14 Tue SMYRNA - PERGAMUM (Rev 1:11; 2:12-17) and THYATIRA (Rev 1:11; 2:18-29) - IZMIR

Morning visit to the **ancient Agora of Smyrna** (Rev 1:11; 2:8-11). Then, we'll travel north to visit the first of the seven cities of Revelation—**Pergamum**. It is one of the most impressive archaeological sites in all of Turkey. Its attractions are hard to surpass: a 10,000-seat **theatre** on the side of the **Acropolis** that is the steepest in the ancient world; the magnificently restored **Temple of Trajan**; the remains of a **library** of 200,000 volumes second in size only to that in Alexandria; the base of the **Altar of Zeus** "Satan's throne" (Rev. 2:12-17). On our way back to Izmir, we'll make a brief stop at the ancient city of **Thyatira**, where, due to the presence of the modern city of Akhisar, few archaeological remains have thus far been uncovered. John warned the church here about its toleration of a woman symbolically called Jezebel who was leading believers astray, causing them "to practice sexual immorality and to eat food sacrificed to idols" (Rev. 2:18-29). Return to Izmir. Dinner and Overnight Izmir. (B,D)

Mar 15 Wed **SARDIS** (Rev 1:11; 3:1-6) - **HIERAPOLIS** (Col. 4:13-15; 4:16) - **LAODICEA** (Col. 2:1, 4:13-16; Rev 1:11; 3:14-22) - **KUSADASI**
Depart for **Sardis**, one of the other cities of Revelation. Here, we'll see the remains of the magnificent **temple of Artemis** (later converted into a church), the beautifully reconstructed **gymnasium and public baths**, and the largest known **synagogue** outside Palestine. In Pamukkale, we'll visit the remains of ancient **Hierapolis** to see the newly found **Tomb and Martyrium of St. Philip** and the city's **theater** with one of most impressive reconstructed **Roman skenes**. Our last stop is **Laodicea**, a major city in Roman times that is rapidly being uncovered. Laodicea had not one but two **theatres**, a **stadium**, an **aqueduct**, and over **20 churches** dating to Byzantine times that archaeologists have already uncovered. Laodicea is the last of the seven churches to whom John directed the book of Revelation (Rev. 3:14-22). It also had a close relationship with the nearby churches of Colossae and Hierapolis (Col. 4:13-15) and was the recipient of one of Paul's now lost letters (Col. 4:16). Drive to the holiday town of Kusadasi located on the shores of the Aegean Sea. Dinner and Overnight in Kusadasi. (B, D)

Mar 16 Thu **EPHESUS** (Acts 18:19-21, 24-26; 19:1-20:1; 20:16-17; 1 Cor 15:32; 16:8; Eph 1:1; 1 Tim 1:3; 2 Tim 1:18; 4:12; Rev 1:11; 2:1-7)
Drive to Selcuk town to visit the famous **ancient city of Ephesus**. This site had successive Hellenistic and Roman settlements and was an outstanding example of a Roman port city with a sea channel and harbor basin into which the Apostle Paul sailed. He lived and ministered here for 2-3 years after a riot in the **Great Theater**, which we can still visit today. Excavations have revealed other grand monuments of the Roman Imperial period including marble-paved roads, terrace homes of the elite, Roman Baths, the Celsus Library, and more. Today, Ephesus is also one of the UNESCO World Heritage Sites. With a special permission, we will also visit the "Paul & Thecla Cave Church" including one of the earliest images of Paul. For lunch, we will visit a local **Anatolian Handmade Carpet and Kilim production center** and learning how our world-famous Turkish rugs are made. We will see unique Christian design carpets at this place. Afternoon we'll visit the **Tomb and Basilica of St. John**, the last-surviving disciple of Jesus who is said to have lived in Ephesus during his final years along with Jesus' mother Mary. Overnight in Kusadasi. (B,D)

Mar 17 Fri **Transfer to Izmir Airport for flight to Istanbul**
Morning flight to Istanbul, the only city on two continents! First, we visit the pinnacle of Byzantine Christian architecture--**Hagia Sophia** (the church of "Holy Wisdom"). Built by Constantine the Great and reconstructed by Emperor Justinian in the 6th century as the crowning achievement of his sacred building program, this church was the center of the Christian Byzantine Empire. It's one of the world's greatest architectural marvels and a designated World Heritage site. We will also visit Hagia Sophia's sister church--**Hagia Irene** (Holy Peace). Also rebuilt by Justinian, Hagia Irene is particularly important in Christian History as the location of the 2nd Ecumenical Council (381 AD). Located nearby is the **Hippodrome** (a.k.a. **Sultanahmet Square**) that once stood in the heart of the Byzantine city of Constantinople and originally held up to 100,000 people. Although little is left of this gigantic horseracing arena, there are a number of impressive columns and other structures situated at the site, such as the **Obelisk of Theodosius**, the **Serpent Column**, and the gazebo-styled **German Fountain**. After lunch, BCE). If it's not under construction and time allowing, we will also visit the **Blue Mosque**, which was built during the years of 1609-1616 and which was intended to compete with the impressive beauty of the Hagia Sophia. Inside, the famous blue-and-white tile work from which the mosque gets its nickname, is bathed in light from 260 windows. Late afternoon we will visit the famous **Grand Bazaar** to finish our day before returning back to our hotel for dinner. (B,D)

Mar 18 Sat **Fly Thessaloniki - Philippi - Thessaloniki**
Meet your Greek guide at Thessaloniki Airport. Drive to **Philippi** where Paul preached his first sermon in Europe and "baptized a certain woman named Lydia" Europe's first convert to Christianity.
