Integrated Immigrant Ministries

Vision

In a world where more than 270 million people are on the move, migration provides an opportunity for our USMB family to consider the mission of the Church. Every USMB church has neighbors from different cultural backgrounds. Increasingly, the mission is on U.S. soil.

USMB's Integrated Immigrant Ministries oversees ministry and partnerships with immigrant congregations, including through the CORD program.

A seed invested in godly soil will produce a harvest for God's Kingdom!

The CORD model

USMB is partnering with up to three immigrant churches through the CORD program to create a movement of self-sustaining churches and leaders capable of teaching and/or assisting new and developing congregations.

CORD will provide:

- ◆ Biblical training around our USMB Confession of Faith
- ◆ Stable place of worship
- ◆ Leadership development
- ◆ Connection with other congregations

"And though a man might prevail against one who is alone, two will withstand him—a threefold cord is not quickly broken."

Ecclesiastes 4:12

Partner with us

Would you consider financial partnership through CORD? The projected cost is \$55,500 per church. With your help, immigrant churches will be able to rent stable places of worship and pastors will receive educational training and a stipend to allow them to focus on preaching and serving their congregations instead of working multiple jobs to make ends meet.
