What is LEAD?

LEAD Initiatives are designed to develop your ministry and help you connect with God and others. Delivered through a mix of active learning methods, LEAD Initiatives provide a firm foundation in leadership, discipleship and networking.

LEAD Initiatives:

- **Coaching** | Intentional Accountability
- **Cohorts** | Online Learning Spaces
- **Consults** | Vision Consultations
- **One** | Regional, One-Day Events
- **Pods** | Our USMB Podcast

Increasing Impact LEAD Coaching

Work with trained MB coaches to develop a vision for your life based on your unique design and create an action plan to get there. Your coach will provide feedback, help you overcome obstacles, hold you accountable and celebrate your successes. You can live and lead with purpose, confidence, courage and joy.

.....

Option 1	\$175/ month	Option 2
12 months, 24 coaching conversations		6 months, 12 coaching conversations

Both options have a \$150 one-time fee for questionnaires. Subsidy available.

What would it be like to live at your full potential?

LEAD Cohorts

Free Online Learning Spaces

Gather with others every two weeks on Zoom to learn together. Experience community and fellowship with others in our USMB family. Cohorts are free and last three to four months.

LEAD Consults

Vision Consultations

More extensive consultations for developing long-term ministry vision and direction. Includes a Church Health Survey (CHAT) with a trained consultant.

LEAD One

Regional Events

Attend a regional, one-day interactive leadership training event with your leadership team. Build networks for encouragement, ideas and relationships.
